

49 CLEMENTS ROAD REAR GARDEN
PLANTING PALETTE
REVISED 18TH AUGUST

Tree, Shrub, Climbers, Perennial, Annual & Bulb Planting proposals

TREES

LOCATION: AT TOP OF GARDEN RIGHT/LEFT

LOCATION: REAR OF SHRUB BORDERS

Sorbus commixta 'Olympic Flame'

A real eye-catcher in Autumn
Turning yellow to red or purple

AVAILABLE

Malus Evereste

A reliable flowering crabapple which is a huge pollinator for other fruit bearing trees and popular with bees. Attractive crop of small red/orange apples cover the tree in Autumn.

AVAILABLE

Magnolia stellata

I'm not a huge lover of the tulip magnolia (*grandiflora*) in small gardens as they tend to swamp any design subtlety but this one is really a star hence *Magnolia*

Stellata. Lovely white flowers
March/April.

NOT YET AVAILABLE OF SIZE

Pyrus salicifolia pendula

Lovely weeping pear is a wonderful foil for blue/purple planting such as your lavender
Very popular with bees. Blossom April/May

AVAILABLE

Prunus cerasifera nigra

Ornamental cherry plum tree
In March/April displays a wonderful
mass of pink flowers

AVAILABLE

SHRUBS

LOCATION: SHRUB BEDS 1 & 2

Daphne mezereum rubra

March flowering fragrant shrub with flowers appearing before the leaves – very unusual!

© Burncoose
Nurseries

Lavendula Hidcote

Proposed main hedging to run either side of the grass path. Wonderful show from May to August. Reliable and compact. Needs cutting right back to dome shaped clusters just above old wood every September after all flowering has ceased

PLANT EASTER

Ceanothus concha

I think this is the bluest of all the Californian lilacs with a prolific arching habit attracting all the wildlife

AVAILABLE

Deutzia hybrid Mont Rose

Upright deciduous shrub with fabulous pink blooms

May to June

AVAILABLE

Viburnum tinus AVAILABLE

'French white' – reliable evergreen, scented, flowers
Feb-March.

Philadelphus virginalis Enchantment

You have introduced this one to me so I don't know much about it but if we cannot source it there is always

P. Coronarius or *P. Belle Etoile*

Flowering: June/July AVAILABLE

Choisya \times *dewitteana* Aztec Pearl

Compact fragrant evergreen. The most attractive
Mexican orange blossom

AVAILABLE

Wiegela Florida variegata

Wonderful pale pink flowers May/June
Needs a good prune back after flowering
AVAILABLE

Syringa vulgaris Madame Lemoine

Highly fragrant lilac, double white flowers End May/
June and lovely in a mixed shrub bed

AVAILABLE

Syringa Charles Jolly

Double magenta highly fragrant flowers

Bushy medium sized lilac

Flowering: End of May-June

Hebe “Purple Pixie”

An evergreen dwarf shrub

This shrubby *Veronica* has rounded bronze evergreen foliage noted for its delicious violet flowers that grow copiously on erect spikes.

Flowering: **May to September**

NOT YET AVAILABLE

Escallonia 'Donard Seedling'

Vigorous compact evergreen with dark glossy
leaves and rose red flowers

Flowering: June

E.APPLE BLOSSOM AVAILABLE

Buddleia davidii

With its evocative smell and languorous habit . I propose
'**Black Knight**' as a dramatic deep purple. I haven't yet
found a location where these won't survive but they
naturally prefer full sun AVAILABLE

Viburnum x juddii

One I have discovered this year with the most fabulous scent in Autumn and into Winter
NOT YET AVAILABLE

CLIMBERS

LOCATION: TRELLIS LEFT AND RIGHT

CLEMATIS FOR ALL SEASONS

Clematis Cirrhosa var. balearica

Flowering: January

AVAILABLE C.c. 'Wisley Cream'

Clematis armandii

Flowering: March/April

AVAILABLE NOW BUT IN 2 LITRE ONLY

Clematis montana 'Elizabeth'

Flowering: May/June

UNAVILABLE BUT HAVE GRANDIFLORA
WHICH IS WHITE

Clematis Polish Spirit

Flowering: June-September

AVAILABLE

Clematis viticella 'Valour'

Flowering: July-September

AVAILABLE (Thorncroft)

Trachelospermum jasminoides

Very popular semi evergreen Star Jasmine with a delicious scent from June to September
Inter-twine with Clematis and they both complement each other perfectly

Lonicera perichlymenum Graham Thomas

Highly scented, longest flowering
honeysuckle: July-September

Climbing and shrub rose

1. *Rosa* Generous Gardener. Highly fragrant and repeat flowering this musk rose is hardy and reliable. The leaves remain on the plant well into the winter.

2. *Rosa* Iceberg

Sweet smelling small repeat flowering rose which I have planted in many gardens as it spreads quickly across arches, trellis, gazebos.

3. *Rosa* Felicia

My favourite bushy shrub rose with the best scent. Compliments lavender beautifully
BARE ROOT AVAILABLE NOVEMBER (AUSTIN/BEALES)

PERENNIALS

LOCATION: RAISED BED BORDER NEAREST HOUSE

Geum Mrs Bradshaw

Flowering: May to June then August to Sept
Tough little plants that throw up in this case
pure red or Orange ("Totally Tangerine") poppy
like flowers. Lovely in a perennial border or
as a wonderful contrast to Lavender

Veronica spicata

Wonderful true blue flowers but only for 3 weeks

Flowering: May

NOT YET AVAILABLE

Erysimum Bowles Mauve

I always defend the
Victorian wallflower as they
provide such a long season of
colour

Flowering: April to August

Astrantia Roma, Major, Pink Pride

My favourite herbaceous perennial happily cut back in Chelsea week to offer up another show end of August
Flowering: May-mid July

ONLY ROMA AVAILABLE

Agapanthus Midnight Blue, Purple Cloud
Now these South African natives are
just as happy naturalising in our gardens as long as we
give the tubers some protection in a hard frost

Flowering: July/August

AVAILABLE SPRING

Gaura lindheimeri 'Snowstorm'

Gaura lindheimeri 'Siskiyou Pink'

Lovely movement provided by these gentle plants that make your Perennial bed look more natural and unplanned!

Flowering: End July-end of August

AVAILABLE SPRING

Anemone hupehensis praecox

Anemone Honerine Jobert

Reliable late summer display

Flowering: August-September

AVAILABLE

Salvia hybrid 'Love & Wishes',

S. farinacea Victoria, *S. nemorosa* 'Caradonna'

I am a huge fan of salvias but you do need the space for them

Flowering: August-September

2 OUT OF 3 AVAILABLE

ANNUALS

LOCATION: RAISED BED BORDER CLOSEST TO HOUSE

Mecanopsis, Nicotiana, Cosmos,

Viola cornuta, Primula auricula

Flowering: April-August

BULBS

LOCATION: RAISED BED BORDER CLOSEST TO HOUSE

Alstroemeria Butterfly hybrids

I adore these Peruvian lilies as they seem to go on and on and pick up nicely once other perennials are dying back

Flowering: June-August

PLANT NOW!

Hyacinthoides nonscripta (Native) March
Fritillaria meliagris - March/April
Tulip *Purissima* - March/April
Narcissus 'Thalia' - March/April
Chionodoxa lucilae - March
Anemone leveillei - May

PLANT OCTOBER/NOVEMBER
